### CALL FOR PAPERS

Each member SAI is encouraged to prepare country papers on both themes of the Seminar and submit to CNAO **by August 20, 2016**:

1. There are two themes available for the Seminar:

- ◆ **Audit on the implementation of environmental policy**
- ◆ **SAI's role in promoting national sustainable development**

2. Guidance for papers:

The aim of the seminar is information sharing and experience exchange, thus the focus of the papers should be the auditing experiences, including audit objectives, methodology, audit findings, experiences and challenges. The following is expected to be included in the paper:

- Background information
- Importance of the topic
- Audit objectives
- Audit methods, including the application of new technology
- Result of the audit
  - Audit findings
  - Audit evaluation on the implementation of environment policies
  - Audit recommendations
  - Impact
- Experiences and challenges

3. Participants have the following opportunities to introduce their experience:

- Papers in electronic compendium. All papers will be compiled to electronic compendium and will be published together with other meeting materials on the website of ASOSAI WGEA.
- Presentation at plenary or in parallel session. All papers are also highly recommended to be prepared in PowerPoint presentation.
