

Training schedule for course on Introduction to Statistical Sampling (8th to 10th April, 2015)

Day 1 : 8 th April				
9 AM	Session 1 (9.30 to 10.45 AM)	Session 2 (11.15 to 12.30)	Session 3 (1.30 to 2.45 PM)	Session 4 (3.15 to 4.30 PM)
<i>Inauguration in iCED Auditorium followed by Group Photo</i>	<i>Introduction to statistical Sampling, Sampling and its relevance in audit, Basic statistical issues in relation to audit</i>		<i>Sampling designs in audit and Control measures for non-sampling errors</i>	
	Shri PK Dhamija, Statistical Advisor, O/o the C&AG of India, New Delhi		Shri PK Dhamija, Statistical Advisor, O/o the C&AG of India, New Delhi	
Day 2 : 9 th April				
Session 1 (9.30 to 10.45 AM)	Session 2 (11.15 to 12.30)	Session 3 (1.30 to 2.45 PM)	Session 4 (3.15 to 4.30 PM)	
<i>Sampling techniques: Equal probability sampling, Stratification sampling and Cluster sampling, Other relevant sampling techniques, Margin of error, confidence level and estimation of sample size, Estimation procedure for SRSWR/SRSWOR</i>		<i>Risk management and statistical sampling in audit, Point estimation and Interval estimation; Audit Hypothesis Testing- Compliance test and Substantive tests</i>		
Shri Amit Bhola, Manager, Design and Development, Maruti, Gurgaon		Dr. G.K. Shrivastava, Visiting Faculty, HCM RIPA, Jaipur		
Day 3 : 10 th April				
Session 1 (9.30 to 10.45 AM)	Session 2 (11.15 to 12.30)	12.30 PM onwards		
<i>Statistical sampling techniques, Application in audit: case studies application of statistical sampling in Financial and Attest audit / performance audit (P.A. on MGNREGA / IAY)</i>		<i>Valediction and interaction with DG, iCED</i>		
Ms. Ritika Bhatia, Principal Director, Regional Training Institute, Jammu				
Tea Break 1: 10.45-11.15 AM, Tea Break 2: 2.45 to 3.15 PM, Lunch: 12.30 to 1.30 PM
