

Mr Anshuman

Associate Director

Mr Anshuman, joined TERI in 2004. Prior to this he was with the Shriram Institute for Industrial Research, Delhi.

He has been working in the water sector since last 14 years and his expertise in the water sector lies in the areas related to integrated water resource management, water use efficiency, water quality & quantity assessments where he has carried out several comprehensive research studies in context of the source (surface water, groundwater), issues (water scarcity, pollution, use efficiency etc.), sectors (irrigation, domestic & industrial) and stakeholders (Central/state Governments and local communities).

He has been member of several advisory committees earlier and is currently member of the Technical Advisory Committee (TAC) of National Institute of Hydrology (NIH) (Under Ministry of Water Resources, Government of India). He has executed several related projects, presented several papers at national and international fora and has several relevant national & international publications.

Mr Anshuman has a Masters in Technology in energy & environmental management from IIT Delhi.
