Respected Madam / Sir,

The International Centre for Environment Audit and Sustainable Development (iCED), is an International Training Centre set up by the Comptroller and Auditor General of India in 2010 for capacity building of auditors on issues related to environment and sustainable development. It is envisioned to be a Global Centre of Excellence for improving accountability and governance in the areas of environment and sustainable development. iCED has started its capacity building and research activities from a 16 acre green campus located just outside Jaipur. The campus is a residential training centre with state of the art training facilities. It is aspiring to receive a five star GRIHA rating.

The Working Group on Environmental Auditing (WGEA) of International Organisation of Supreme Audit Institutions (INTOSAI) has designated iCED as its Global Training Facility. iCED completed research project on Greening of SAIs during the WGEA Work Plan 2014-2016. iCED continues to undertake quality research and capacity building initiatives in addition to its commitments for WGEA.

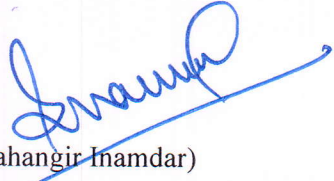

In this process of capacity building and research it has been decided to engage Interns at iCED. Internship plays an important role in helping the students to apply their knowledge and skills in a professional setting while still in college. It aids the process of student's learning and offer carefully planned and monitored work experience.

If any of your students is interested in pursuing the Internship programme he / she may apply for the Internship Programme at iCED in the prescribed form by 15<sup>th</sup> September 2017 for selection in first group of interns. The details regarding eligibility, duration, remuneration, nature of engagement etc. are attached herewith. It is possible that this timeline may not be suitable for your institute / students, in such situation you may communicate the institutional views in respect of this proposal, time suitable for your students etc. by the above date so that we may be able to do future planning in this regard.

You may also send nominations even after 15<sup>th</sup> September 2017 which can be considered in subsequent groups of interns. Any further information for the programme can be accessed through our website [www.iced.cag.gov.in](http://www.iced.cag.gov.in) or you / willing interns may write to us at [iced@cag.gov.in](mailto:iced@cag.gov.in).

Yours sincerely,

Encl: As above

  
(Jahangir Inamdar)
